Current Trends in Healthcare Alternatives

In 2009 employers will be faced with competing challenges to cut costs and reduce staffing while at the same time retaining key talent and improving employee benefits. One set of priorities does not have to be sacrificed for the other. Consumerism and wellness, when coupled correctly, are proven to reduce healthcare costs and lead to happier and healthy employees. Employers who shy away from this strategy are leaving needed money on the table

Topics covered will include:

- HR Challenges
- Employee Issues
- Healthcare Cost Forecast
- Emerging trends in consumerism & wellness
- HRAs versus HSAs
- Cost saving steps employers can take right now to reform health and wellness benefits
- Employer case studies
- Next steps for success
- A special wellness offer
